

# GGM SunSure Plus Coverage

## Long lasting protection for your solar array for 30 years and covers:

- Solar panels
- Inverters
- Roof penetration
- Labor and Active Monitoring

## Active Monitoring:

If we notice an issue with your system at our monitoring station we will dispatch a tech to assure your system is always running properly

## Be prepared in the event of any failure associated with your solar panels such as:

- Bending frames due to extreme weather conditions
- Temperature cycles can cause solder bond failures and cracks in solar cells over time
- Broken glass due to corrosion
- All mechanical and electrical failures due to normal use

## Why choose GGM SunSure Plus Coverage?

### For a low one time premium of \$5999 you get:

- 100% parts and labor coverage with \$0 deductible
- An A Plus Rated Insurance Warranty
- We cover if the manufacturer or installer is no longer around
- 24/7 support and service
- Increases your home value
- Hassle free online claims
- Warranty that automatically transfers to the next homeowner in case you sell your home

- 4 weeks after installation of your solar array, you will receive your Official Issued Transferable SunSure 30 Year Extended Warranty Certificate with coverage information and unique serial number.

**Protection for Your Solar Program, Peace of Mind for You**
